Giardini privati, spazi pubblici, piscine e molto altro.

Queste piastrelle nascono dalla fusione di materie prime naturali quali: sabbia , quarzi, argille, coolini... e una volta cotte ad oltre 1200° danno vita ad un prodotto eccezionale per durezza, basso assorbimento e caratteristiche meccaniche uniche, adatte quindi alle diverse destinazioni d'uso.

Private gardens, public spaces, swimming pools and much more

These tiles are born from the fusion of natural raw materials such as: sand, quartz, clay, coolini ... and once fired at over 1200 ° they give life to an exceptional product for hardness, low absorption and unique mechanical characteristics, therefore suitable for different uses.

POSA universale

Proponiamo una soluzione **IDEALE** per ogni esigenza. La collezione In&Out offre soluzioni di posa alternative studiate per realizzare ogni progetto e soddisfare le richieste estetiche e tecniche per un ambiente sicuro e duraturo nel tempo.

UNIIVERSAL LAYING

We offer an **IDEAL** solution for every need. The In&Out collection offers alternative laying solutions designed to create each project and satisfy the aesthetic and technical requirements for a safe and long-lasting environment.
